## **SB 827 - HB 1208**

March 3, 1997

**SUMMARY OF BILL:** Reduces the minimum appropriation by a county for a charter commission from \$35,000 to \$25,000.

### **ESTIMATED FISCAL IMPACT:**

#### **Local Govt. Expenditures - Cost Avoidance - Not Significant**

Assumes that any county establishing a charter commission would be allowed by the provisions of this bill to avoid \$10,000 in cost for such charter commission. The fiscal impact of the bill depends upon the number of counties establishing such a commission and the amount of funds the county would have appropriated in the absence of this bill. Such an amount is not possible to determine, but is estimated to be not significant.
